Library services in Tierp

The Main Library and its branches can provide a variety of services free of charge: access to the Internet, international newspapers and magazines, your e-mail and social networking. There are children's activities, art exhibitions, public lectures and the occasional concert. If you join the library – i.e. apply for membership – more services are available. You can for example:

- borrow a wide range of books including children's books, hobbies, novels, magazines, dictionaries etc.
- borrow books in Swedish and foreign languages
- borrow audiobooks, talking books, DVDs and language courses
- download e-books
- reserve titles and renew loans
- ask for information and book tips
- do genealogical research and research local history
- study, read the papers or bring your children to story time
- visit our mobile library on tour in the countryside
- request an interlibrary loan – a loan from a library outside the municipality of Tierp. Due to postal costs we have to charge you 10 kr for an interlibrary loan.

Join the library

When applying for membership you need proof of identity. You will be asked to complete an application form to receive the library card. We recommend you to fill in a four-digit PIN-code in your account. The PIN-code enables you to check your account whenever and wherever you wish. Our catalogue, Biblinord, is open 24 hours a day, all the year round, allowing you to search the catalogue, to reserve and renew items. If a book has not been reserved by another patron you may extend your loan by way of www.biblinord.se/tierp or by phone 0293-218260.

If you lose your membership card, you should let us know as soon as possible. Your card must be blocked so as to prevent others from using it. The regular loan period is four weeks. To meet demands, the loan period for popular books might be shortened. You can borrow magazines for two weeks and a film for three days.

If your loan is not returned on time, we will send you a reminder. If you like, we can alert you by email or text message three days before the loan expires. Borrowing is free, but we charge you if an item is returned late. If your late fees exceed 50 kr, your borrowing privileges will be suspended. Children under 18 are not required to pay late fees.

We charge you as follows:

Book, audiobook etc. – 1 kr/day

Film – 20 kr/day

Other fees:

New library card for adults – 10 kr.

Interlibrary loan – 10 kr

Copying, damaged or lost items are paid for according to specific rates.
